

Ambitious economist with in-depth knowledge of effective development cooperation and financing. Expertise in translating economic analysis into concise reports and policy recommendations. Excellent communication skills demonstrated at collaborations with high-level officials, academia, and the civil society. Passion for South-led transformation processes.

## PROFESSIONAL EXPERIENCE

### **adelphi**

*Freelance Policy Analyst*

12/2018 – present

Berlin, Germany

Researching on transformation indices and processes towards Green Economy. Identifying key messages, screening relevant literature and synthesizing the insights into concise policy recommendations. Editing an existing academic research article on Green Economy.

### **GFA Consulting Group**

*Freelance Data Analyst*

12/2018 – present

Hamburg, Germany

Conducting exploratory data analysis on the impact of the Sustainable Land Management Programme in rural Ethiopia. Debugging, merging and cleaning datasets. Calculating variable gross margins of crop and livestock production. Advising the Monitoring and Evaluation Team on further analyses.

### **United Nations**

*Consultant*

Financing for Sustainable Development

05/2018 – 09/2018

New York, USA

Contributed to the organization of the biennial high-level Development Cooperation Forum, a global multi-stakeholder platform on development cooperation. Initiated and authored a policy brief series on key enablers of mutual accountability in development cooperation. Conceptualized and compiled 60 country profiles in three languages using innovative data tools.

### **United Nations**

*Carlo-Schmid Fellow*

09/2017 – 03/2018

New York, USA

Conducted research, analyzed primary data and drafted inputs for the United Nations Secretary-General Report on trends in international development cooperation. Coordinated the intergovernmental outreach to 110 developing countries of the Development Cooperation Forum Survey on key enablers of mutual accountability in development cooperation.

### **German Development Institute**

*Academic Assistant*

08/2016 – 07/2017

Bonn, Germany

Constructed, inspected and debugged datasets on dynamics of development cooperation using Stata. Created data visualizations on new forms of multilateral development cooperation. Identified, systemized and summarized literature on the aid effectiveness and rising powers. Liaised with panelists for conferences and seminars.

### **Center for Development Research**

*Academic Assistant*

04/2016 – 11/2016

Bonn, Germany

Independently coded a household survey on nutritional patterns in rural India using CTO Survey. Authored 120 country profiles on economic, agricultural and socio-demographic indicators (foodmonitor.org). Developed a qualitative database on food crises since the late Middle Ages. Extracted and processed Bloomberg data on food price volatility.

### **Deutsche Gesellschaft für Internationale Zusammenarbeit**

*Portfolio Management Intern*

04/2015 – 07/2015

Phnom Penh, Cambodia

Authored a ten-page report on the agency's future portfolio alignment in Cambodia. Contributed to intergovernmental negotiations with the Royal Kingdom of Cambodia. Organized, moderated and evaluated workshops and meetings. Closely coordinated and communicated with the agency's project offices in Cambodia.

### **Deutsche Bahn**

*Corporate Strategy Intern*

03/2014 – 08/2014

Berlin, Germany

Calculated profitability for new stations across Germany. Analyzed, identified and recommended participation of the corporation in international and national Corporate Social Responsibility prices. Analytically underpinned the trend "Rethinking in traffic planning".

### **Commerzbank**

*Risk Analysis Intern*

10/2013 – 02/2014

Frankfurt am Main, Germany

Computed risk-return analyses of credits of Polish cross-border business clients. Compiled talking points for panel discussions and lectures, including the Euro Finance Week 2014. Conducted a peer group analysis on key performance indicators in corporate banking in Eastern Europe for mBank.

## EDUCATION
